

RS Web Access Form

RS-Web, a Web access tool, allows you to access your records inventory stored at our Records Centers. With RS-Web, you can order services, check the status of your orders, and update the information associated with your stored items.

This form must be completed to allow us to set you up as a RS-Web user. If you do not have a current Authorization Form on file with our Records Center, you will be required to complete one. Please allow 2 weeks for processing.

All fields must be completed to be accepted.

Select the UV&S site this access applies to. If applies to multiple UV&S sites, select all that apply:

- Kansas City
- Louisville
- Manhattan
- Oklahoma City
- Topeka
- Wichita
